

20-GAME FLEX PACK

The 20-Game Flex Pack provides ultimate flexibility!

- Pick your preferred game dates/opponents
- Pick your preferred seating area/price level for each game
- Pick your preferred number of seats per game*
- Access to ALL FOUR MARQUEE games
- Save an average of 20% off of single game prices

*Miami Heat tickets are limited to the minimum number of seats purchased for any other game in the package as well as the least expensive tickets purchased for any game. For example, if you purchase one ticket in the blue price for any of your games you are limited to one ticket in the blue price for the Miami game.

INTRODUCING VARIABLE PRICING

The cornerstone of our Fan Development Program is to provide our fans with tremendous value and increased flexibility. That's why we're excited to offer our fans variable pricing for this season's Timberwolves games. In simple terms, variable pricing assigns different prices for the same seat location each game based on the day of the week and the opponent. This season's games will be priced by four different categories: Marquee, Premier, Value and Super-Saver. Variable Pricing empowers you, our fans to make better decisions based upon your schedule and your pocketbook. Now you know that you will always get the best deal imaginable for Timberwolves basketball!
